Re: Mitigation Harvey Round 1 State Most Impacted and Distressed Competition Award Announcement

Dear Mayor Baker:

The Texas General Land Office Community Development and Revitalization division (GLO-CDR) has completed its scoring of all Mitigation Harvey Round 1 State Most Impacted and Distressed (SMID) Competition grant applications. We are pleased to announce the approval of your application for Community Development Block Grant Disaster Recovery (CDBG-DR) funding. **Congratulations!** This letter is confirmation that Kenedy's application for Mitigation Harvey Round 1 State Most Impacted and Distressed Competition has been approved for funding and will move forward to contracting.

Project Information:

Applicant:	Kenedy
CDBG-DR Amount:	\$43,040,879.00
Project Description:	Water Treatment Plant Improvements

As indicated, the next step will be contract execution, followed closely by a Kickoff meeting. To ensure thorough guidance throughout the project's lifecycle, your Grant Manager, Megan Manahan, will assist you in meeting program requirements, the terms of your executed Subrecipient Agreement, and to address specific questions that arise along the way. Megan will contact you directly to establish a contact list of key stakeholders and identify roles and responsibilities. In the meantime, she can be reached at Megan.manahan.glo@recovery.texas.gov or (512) 475-5120.

GLO-CDR is dedicated to Kenedy's success. If you have any immediate questions regarding this award, feel free to contact me at Cynthia.Hudson.glo@recovery.texas.gov or (512) 917-4073.

Sincerely,

Cynthia Hudson
